Active Ginger Power

Not all ginger is created equal. Research** shows a number of active compounds in ginger are responsible for its potent effect on nausea and digestive distress. The amount of these helpful compounds varies, depending on ginger variety, origin, harvest and processing methods.

The Ginger People created a Ginger Actives Scale based on certified lab results to demonstrate that Ginger Rescue contains more than just great ginger flavor – it's packed with active ginger power.

Ginger Actives Ratings Comparison†

Gravol Ginger Lozenges **4**

Sea Band Mama Ginger Lozenges **2**

Seaband Anti-Nausea Ginger Gum **1.5**

Airborne Chewables **1**

† Rating based on Total Actives mg/gram as tested by Biogen Labs, Portland, OR.
